

‘The REACH Centre’ Initiative Launch

**Presented by: -
Jonathan Lutwyche**

Agenda

- The REACH Centre
 - Background
 - Objectives
 - Structure
 - Management Team
 - Services
 - Single Point of Contact
- Lancaster Environment Centre
 - Resources and capability
 - ‘CPD in Chemicals Management and Regulation’

Background

- Clear industry demand
- Shortfall in capacity of services for REACH
 - highlighted in KPMG impact assessment report
 - ERDF identified market failure requiring public intervention
- Lancaster Environment Centre has strong competency in chemicals management
- Lancaster Environment Centre 'DESIRE for REACH' programme
 - Identified strong & successful consultancy team
 - ERDF funding to seed commercially sustainable platform

Objectives

- Flexible commercial platform
 - Rapid response to client's needs
 - Flexibility to reach commercial agreement with client
- Cost effective for industry
 - Competitive
 - Pricing models that industry can budget for
- Single point of contact for all REACH needs

Structure

- Commercial enterprise
 - For profit Limited company
 - No University shareholding
 - Located in LEC 3
- MoU between the University and The REACH Centre
 - Clear division of labour
 - All University work undertaken at full economic cost
- Additional delivery via partners
 - Discussions in progress
